

CILK® Dry Feed Additive

For Livestock by Enviro Consultant Service, LLC™

A concentrated dry feed additive consisting of beneficial and effective enzymes and co-enzymes intended to improve feed digestibility, making nutrients more available. It promotes increased absorption of amino acids, fats, and starches, resulting in better-balanced animal nutrition.

CILK® DRY FEED ADDITIVE FOR LIVESTOCK for use during all life stages of Cattle, Dairy, Equine, Poultry, Sheep and Goats, Swine and Small Pets.

PRODUCT PURPOSE: CILK® Dry Feed Additive for Livestock is an all-natural, concentrated combination of enzymes derived from a unique blend of naturally occurring non-GMO beneficial lactic acid bacteria sources and beneficial yeast. This product is produced through natural fermentation and pure water reed-sedge peat-leaching processes.

PRODUCT GUARANTEE: This 40 lb bag contains enzymes derived from 100 cfu of Lactic Acid Bacteria. All species used in this product's fermentation processes are non-GMO, and include *Bacillus subtilis*, *Bifidobacterium animalis*, *B. bifidum*, *B. longum*, *Lactobacillus acidophilus*, *L. bulgaricus*, *L. casei*, *L. delbrueckii*, *L. fermentum*, *L. plantarum*, *Lactococcus lactis* *Saccharomyces cerevisiae*, *Enterococcus thermophilus*.

INGREDIENTS: Silicon dioxide (diatomaceous earth), kaolin, reed-sedge peat, purified water, active dry yeast, brewers dried yeast, organic sugar cane molasses, organic mineral powder, sea salt, naturally occurring enzymes derived from non-GMO beneficial bacteria.

DIRECTIONS FOR USE (all life stages): If blending into feed ration, add 2.5 lbs (1.14 kg) of CILK® Dry Feed Additive for Livestock to 2,000 lbs (907.18 kg) of mixed dry feed and blend well.

If top-dressing, feed appropriate amount shown below (level teaspoon or tablespoon *not* packed) daily at one feeding:

ADD ONCE DAILY TO FEED AT THE RATE OF:

<u>Measurement</u>	<u>Body Weight</u>	
1 level tsp.	125 lbs.	Tsp. = small scoop TBS. = large scoop
1 level TBS.	500 lbs.	
2 level TBS.	1,000 lbs.	Replace lid or close bag after each use.

CAUTIONS: Enzymes are subject to alterations during any pelleting process due to excessive heat required for that process. The merchantability and fitness warranty for this product applies only when it is used in accordance with the directions on this label, and when used under normal use conditions.

Not for human use. Keep out of reach of children.

STORAGE: Store in a cool, dry place, out of direct sunlight.
