

THE NANO-AG ANSWER®

Nature Always Nurtures Organic Agriculture

PRODUCT DESCRIPTION and PURPOSE: *The NANO-AG ANSWER®* is a concentrated formulation of a proprietary blend of ingredients presented in dehydrated form for use in soil enrichment and plant nourishment; as a composting aid; and to promote microorganism and macro-organism activity.

GUARANTEED ANALYSIS:

Total Nitrogen (N)	1.0%	Other Ingredients: Non-plant food material – 93.4% Sucrose; kelp; diafil; dried yeast; humic acids derived from humic shale; water; a nonviable proprietary probiotic and enzyme blend.
1.0% Water Soluble Nitrogen		
Available Phosphate (P ₂ O ₅)	0.1%	
Soluble Potash (K ₂ O)	5.5%	
Derived from kelp.		

USE DIRECTIONS: HYDRATE and ACTIVATE BEFORE APPLICATION

1. Remove cap and fill to the fill line with non-chlorinated water.
2. Replace cap, shake to completely BLEND and HYDRATE.
3. Loosen cap and allow to ACTIVATE FOR 48 HOURS in cool place out of direct sunlight.

Best if used within 10 to 14 days after **HYDRATING & ACTIVATING**. (See **STORAGE**)

Apply through drip, sprinkle, flood, hose-end spray, or other types of irrigation systems. Applications may vary depending on soil type and condition, available moisture, temperature, and usage.

DILUTE HYDRATED AND ACTIVATED *NANO-AG ANSWER®* with sufficient water to be easily mixed into the irrigation system.

FOR CROP FIELDS, ORCHARDS AND VINEYARDS:

APPLY 1 qt (0.95 L) of HYDRATED AND ACTIVATED *NANO-AG ANSWER®* per 5 acres (2.02 ha) per growing season. May be divided out into each watering over growing season.

FOR SPORTS TURF and OTHER HEAVY USE GRASS AREAS:

APPLY 1 qt (0.95 L) of HYDRATED AND ACTIVATED *NANO-AG ANSWER®* per 5 acres (2.042 ha) every 2 to 4 weeks or as needed.

FOR SMALL AREAS: To a 1 qt (0.95 L) hose-end sprayer add 1 oz (30.0 mL) of **HYDRATED & ACTIVATED *NANO-AG ANSWER®***. Fill to top with aerated or non-chlorinated water. Set sprayer dial to 1.5 oz (44 mL) per gallon (3.79 L). Spray 4,000 to 5,000 ft² (372 to 465 m²) depending on application and soil condition.

Product may be applied at a heavier rate and additional watering may be desired to soak into soil. Discuss specific needs with your *NANO-AG ANSWER®* representative.

STORAGE: Store in dry cool place, out of direct sunlight. Do not Freeze.

CAUTION: Not for human consumption. Keep out of reach of children.
